FREE Power-Up Quiz: How Healthy Is Your Business?

Instructions: Answer each question honestly. Score yourself from **1 (Strongly Disagree)** to **5 (Strongly Agree)**.

- 1. I have a clear, written vision and set goals for my business over the next 6-12 months.**
 - 2. I know exactly who my ideal client is and tailor my marketing to them.**
 - 3. My offers are clearly defined, priced strategically, and deliver consistent results.**
 - 4. I consistently attract leads through multiple marketing channels.**
 - 5. I have a predictable system in place for converting leads into paying clients.**
 - 6. My monthly revenue is stable and growing or on track with my goals.**
 - 7. I have systems or tools that help me save time and stay organized (e.g., CRM, automation, templates).**
 - 8. I regularly track my financials, including profit, expenses, and cash flow.**
 - 9. I delegate tasks or have support (team, VA, contractors) to avoid burnout.**
 - 10. I invest time or money into personal development and business growth regularly (coaching, courses, masterminds).**
-

Results Guide:

- **40–50: Thriving**
Your business is in great shape! You're operating with clarity and momentum. Focus on scaling and optimization.
- **25–39: Growing**
You're making solid progress, but there are key areas that need focus. Consider where support or strategy could accelerate growth.
- **10–24: Stuck or Struggling**
You may feel scattered or overwhelmed. A focused coaching plan could help you regain direction and build a strong foundation.
